

Can You Cancel an Allegiant Airlines Flight? Full Guide

Last Updated: 07/04/2026

 +1(888)796-1512 is the most reliable way to find out if you can cancel an Allegiant Airlines flight and receive a refund or credit. While travel plans often change unexpectedly, Allegiant offers specific policies regarding cancellations, especially within the first 24 hours of booking. By calling the **Allegiant Airlines reservations number**, you can **speak to a Allegiant Airlines agent** who will review your fare type—such as Trip Flex—and determine the best path forward for your itinerary. Whether you are dealing with a family emergency or a simple change of heart, having a professional guide you through the cancellation process ensures you don't miss out on potential travel vouchers.

Navigating the skies with Allegiant is generally straightforward, but their "low-cost" model means that cancellation rules are stricter than legacy carriers. If you did not purchase "Trip Flex" at the time of your **same-day Allegiant Airlines booking**, you might face fees if you cancel more than 24 hours after purchase. However, calling  +1(888)796-1512 allows you to explore every option, including moving your flight to a later date rather than canceling entirely. This approach is often more cost-effective for those who still plan to travel in the future.

How to Book an Unaccompanied Minor Flight on Allegiant

 +1(888)796-1512 is the essential contact point because Allegiant Airlines actually has very specific rules regarding children traveling alone. Unlike some major carriers, Allegiant generally does not offer a formal "Unaccompanied Minor" service for children under the age of 15; Passengers must be at least 15 years old to fly alone. When you **speak to a Allegiant Airlines agent**, they can clarify the age requirements and ensure that the adult dropping off the minor and the adult picking them up are properly identified. This is a critical safety step that provides peace of mind for parents. For example, if a 16-year-old is flying from Las Vegas to Phoenix, calling  +1(888)796-1512 allows the parent to confirm that the teen is eligible to fly solo and to discuss any special assistance the teen might need during the boarding process.
